

Fire Marshall

Who Should Attend

All levels of staff

Prerequisites

None

Aims

To instruct candidates in the event of a fire, if the need to evacuate occurs, and to instruct the safe use of fire extinguishers.

Objectives

On completion of the course, delegates should understand:

- The Fire Regulations 1971.
- Health and Safety at Work Act.
- What to do if you discover a fire.
- Evacuation procedures.
- Identifying high risk areas.
- Fire notices.
- Evacuation of people with special needs.
- Daily and weekly fire checks.
- Record keeping.
- Identifying and using the appropriate fire extinguishers.

Duration

½ Day
